YMCA Youth Center

The Maple YMCA is an excellent place for older elementary and middle school students to come hang out after school. Need a structured space to get help on your homework? Want to spend time with friends while participating in sports, games, and various other activities? The YMCA Youth Center allows students the opportunity to make good choices, while offering several fun and engaging activities. **If your child is in elementary school, the parent must remain in the building.**

Ages

8 years – 8th Grade

When

2:00pm-7:00pm (Monday-Thursday)
2:00pm-6:00pm (Friday)
