

THANK YOU!

For 34 years, the annual YMCA of Greater Kalamazoo Golf Classic presented by **L.W. LaPine Inc.** has provided funding to benefit thousands of youth and their families in greater Kalamazoo and Portage by reducing barriers and building equity and access. Your participation demonstrates your commitment to making a real and lasting difference in the lives of children and families throughout our community.

Y youth learn how to cultivate the values, learn the skills, and build the relationships that lead to positive behaviors, better health, and academic achievement.

YOUR PARTICIPATION TODAY HELPS THE Y CREATE EQUITY AND ACCESS FOR ALL

**Did you know that the YMCA is a
non-profit organization that
relies on donations in order to
fulfill its mission?**

**PLEASE CONSIDER A
DONATION TO THE Y!**

The Y is SO MUCH MORE than just a place to swim or play basketball. The Y is committed to identifying critical needs within our community and creating solutions that will make the greatest impact. The Y focuses on increasing the number of people participating in programs and services that create an environment where people of all ages can thrive and grow. The Y does not turn anyone away due to their inability to pay for a membership or programs for themselves or their family. Thousands of youth, families, adults, and seniors have access to the Y each year for opportunities to be healthier, participate, play, learn, grow, and build community.

Our donors, sponsors, and community agencies work closely with the Y to help strengthen our community. We appreciate all the support and commit to increasing the number of lives we impact every day. With YOUR help, we can build a healthier and stronger community FOR ALL.

SCAN FOR MORE INFORMATION: We invite you to review our Annual Report for a deeper look at the YMCA of Greater Kalamazoo's work and impact. Thank you for your support and for joining the Y Movement! We could not do this work without you.
