

THANK YOU!

For 35 years, the YMCA of Greater Kalamazoo Golf Classic presented by **L.W. LaPine Inc.** has provided funding to benefit thousands of youth and their families in greater Kalamazoo and Portage by reducing barriers and building equity and access. Your participation demonstrates your commitment to making a real and lasting difference in the lives of children and families throughout our community.

YOUR PARTICIPATION TODAY HELPS TO REMOVE BARRIERS AND CREATE ACCESS FOR ALL

Did you know that the YMCA is a non-profit organization that relies on donations in order to fulfill its mission?

The Y is SO MUCH MORE than just a place to swim or play basketball. Thousands of youth, families, adults, and seniors have access to the Y each year for opportunities to be healthier, participate, play, learn, grow, and build community.

The Y is committed to identifying critical needs within our community and creating solutions that will make the greatest impact. The Y focuses on increasing the number of people participating in programs and services that create an environment where people of all ages can thrive and grow.

The Y does not turn anyone away due to their inability to pay for a membership or programs. Our donors, sponsors, and community agencies work closely with the Y to help strengthen our community. We appreciate all the support and commit to increasing the number of lives we impact every day. With YOUR help, we can build a healthier and stronger community FOR ALL.

This is a banner year for the Y as we celebrate 160th Years of Service in the Greater Kalamazoo area! Through the decades, our focus has been to create healthy community.

DID YOU KNOW?! Of all Y participants, **41%** are on Financial Assistance, which impacts **10,987** people, of which **4,539** are youth!

PLEASE CONSIDER A DONATION TO THE Y!
