A MESSAGE FROM DAVE MORGAN

President and CEO

While I am always disappointed to see summer coming to an end, there are several autumn things I do look forward to—Badger football (yes, I said Badger Football), the seasonal colors, and the startup of fall programs at the Y. I love watching kids enter their first swim lesson of the new school year, seeing the parking lot at Woods Lake Elementary on Oakland Drive at Whites Road fill up on a Saturday morning as kids and families take to the flag football fields, or seeing the dozens of teens come back to hang out with their friends in the Y gym after school.

I am also excited to share the wonderful changes we put in place since last fall. A host of facilities improvements continues throughout the Y that will make your Y experience even more enjoyable. From new roofs to new ventilation systems, the Y has invested hundreds of thousands of dollars to improve your YMCA. One change in particular is the work done to change the entrance into our pools at the Maple Street YMCA. This modification has made the space brighter, cleaner and most importantly, more accessible for those with mobility concerns.

We are also excited to announce that we will be expanding child care services by opening our Northside Early Learning Center on Frank Street in Kalamazoo. This project, done in partnership with Bogan Development, will positively affect the life trajectory of 30 preschoolers, annually.

The Y is so much more than a gym. It's where we come together to learn new skills, challenge ourselves and grow. It's where Healthy Living and Youth Development come together to create a community of people of all walks of life striving toward their very best potential.

This program guide captures most of what we have in store for you for fall, with all your favorite classes and programs, plus brand new classes for youth! There really is something for everyone. Please take some time to review it and don't forget that the Y is open to everyone. Share this with a loved one, a friend, maybe even someone that you've just met. Help us to share the amazing opportunities available at the Y for building strong Body, Mind and Spirit FOR ALL. That's what we're here for.

Friends on a mission,

A handwritten signature in black ink that reads "Dave Morgan". The signature is fluid and cursive.

FOR WHEN OUR NEIGHBORS NEED THE Y MOST

Members Alisha Bender and Jerome Wise recently let us know about a health crisis that hit their family: 14-year-old son Jayce was recently diagnosed with an extremely rare case of leukemia, specifically BPDCN. Could we help them share his story for prayers and positive thoughts to help them get through this terrifying time? Staff immediately went into support mode. To help the family deal with mounting medical expenses, Financial Aid was extended to them so that paying for their monthly membership dues was one less bill for them to manage and worry about.

Gifts to the Y's Annual Campaign allow the Y to respond in this way. Financial Aid helps people who, when in times of challenge, don't drop their Y membership, but get closer to it for support and an outlet to take care of themselves for when they need it most.

Thank you to every donor whose gifts empower the Y to help in this and so many other ways.

HOW DOES \$403,242 BREAK DOWN?

FINANCIAL ASSISTANCE

- \$278,478** for membership fees
- \$48,240** for kids to attend Prime Time, preschool, and summer camp
- \$69,893** for the YMCA Lincoln Youth Program
- \$10,034** for youth swim lessons and youth sports

DID YOU KNOW:

23% of ALL Y members are on Financial Assistance

That's **1 in 5** members

or

5,823 total members

with

2,712 of those members being teens or youth

ALL this means...

There was a **40%** increase in FA in 2022

The YMCA's Annual Campaign goes where membership fees don't. Every gift, large and small, goes to support our community where we need it the most! This breakdown shows exactly the impact of each and every dollar. Look to the right to see more facts about 2022's Annual Campaign.

We are truly grateful for each and every donation that was received throughout 2022, and with your support, we believe that we can make an even larger impact on our community in 2023.

LEARN ABOUT LINCOLN ELEMENTARY PROGRAM

At the Lincoln YMCA, Kalamazoo's Northside youth participate in various after-school activities such as mentoring, tutoring, homework support, games, and social and emotional learning.

During the summer, the Lincoln Y runs a summer achievers camp for K-5 students. The program focuses on combating the summer slide, as well as literacy enrichment with certified teachers using the LitCamp curriculum. In the afternoon, the program turns into a YMCA camp where youth participate in CATCH or SPARKS curriculum for physical activity, art and crafts, swimming and water safety lessons, tennis lessons, field trips, and a family involvement component.

The Lincoln Y also offers a food pantry, where community members may come in and shop at any time for food, household necessities, and clothing as needed.

Keep up with our social media and sign up for our weekly newsletter to see how you can support Lincoln youth!

ENGAGING CARE FOR KIDS, SELF-CARE FOR ADULTS DROP OFF YOUR CHILD AT THE KIDS ZONE WHILE YOU WORKOUT AT THE Y

The Kids Zone is a unique drop-in care program for children aged 6 weeks to 8 years. In the Kids Zone, children play under the supervision of caring, trained staff. At the same time, their parents are able to relax, connect with other Y members and enjoy healthy activities at the YMCA.

Parents can check in their children for up to two hours a day, while they remain in the facility. Reservations are not required. Your child will have a blast interacting with other kids through age-appropriate activities that get their brains and bodies moving. Both Maple and Portage Kids Zones are nut-free.

FITNESS CENTER ETIQUETTE 101

As we find ourselves continuing, returning to, or even beginning a new exercise routine, some of us may feel intimidated coming into a gym.

No matter where you are on your health and wellness journey, the Y wants to ensure that everyone feels welcomed and comfortable in our facility.

Here are some guiding principles for everyone, to remind the regulars and welcome the newcomers:

Remember the golden rule!

Everyone is at a different place in their journey, and we should celebrate each other's progress.

Clean up after yourself and respect the space.

1. Wipe down all equipment, weights, mats, etc. with the provided cleaning materials immediately before and after use.
2. Return weights to the rack when you are finished, and for the safety of others, please do not leave mats, bands, or other exercise equipment on the floor when not in use.
3. For the safety of yourself and others, please wear appropriate clothing for exercise, which includes clean, indoor workout shoes.
4. Familiarize yourself with the rules on posted signage, as each space has different expectations (i.e. yoga vs. weight-lifting)

5. If there is an issue with any of the equipment, please inform staff.

Allow others to work-in and workout around you, and respect equipment time limits.

During special programming, certain machines are affected, and members are expected to share. Please police yourself and be kind to one another.

During peak times, all members must observe the 30 minute time limit on cardio machines. If another member is waiting, please allow them a turn.

Be respectful of other members and guests.

Members, guests, and participants may not record or take photos with any type of device in any area of the facility.
