

How to register for Early Learning

Go to www.kzooyymca.org and Click on the Registration/My Account button at the top, right corner

This will take you the Programs page. Scroll down and you will see a “Login” and “Sign Up” option

If you have ever signed up for a Y program online before (swim lesson, basketball class, Prime Time etc.) you should already have an online account. Click the “Login” option to look up your account. Please try any email or phone number you may have on file to prevent creating a duplicate account.

If you are new to the Y, you’ll need to do the “Sign Up” option. You are able to sign up for a membership at this point, if you choose to. Your child MUST be an active member to receive the member rate for summer camp. If you don’t want to start a membership scroll to the bottom and select the “Participant” option and click next to set up your non-member account.

Once your account is created, go back to the programs screen and select Early Learning 2026-27. If that option doesn't appear at first, check what locations you have selected (blue circle)
