CODE OF CONDUCT

|---|---|
| <ol style="list-style-type: none"> 1. All staff/volunteers must receive public sex offender registry clearance before having any contact with a child. Any individual registered on the public sex offender registry is prohibited from having contact with any child in YMCA care. 2. In a YMCA program, staff/volunteer shall never leave a child unsupervised. 3. In order to protect YMCA staff, volunteers, and program participants – at no time during a YMCA program may staff/volunteer be alone with a single child where they cannot be observed by others. Private activities should be supervised or conducted in pairs – diapering, putting on bathing suits, taking showers, etc. When this is not feasible, staff/volunteer should be positioned so that they are visible to others. 4. Staff members are to make sure the restroom is not occupied by suspicious or unknown individuals before allowing children to use the facilities. Whenever possible staff members will stand in the doorway of the rest room while children are using the rest room. This policy allows privacy for the children and protection for the staff members. If staff members are assisting younger children, doors to the facility must remain open. <ol style="list-style-type: none"> a) YMCA Classes/Camps – With staff permission children can go to the bathroom as long as they remain in sight and sound of staff.
