

ROOTED IN COMMUNITY

The YMCA of Greater Kalamazoo
Annual Report 2025

SUMMER CAMPERS | AUGUST 2025

✧ A MESSAGE FROM PRESIDENT & CEO, ERICIA MOORE

DEAR FRIENDS,

2025 was a year of continued growth across the YMCA of Greater Kalamazoo as we steadily advanced toward our Association goal of 1 in 1 by 31. This vision guides our long-range commitment to bringing a YMCA program within one mile of every resident in our service area by 2031—and we are making incredible strides!

Our impact this past year reflects the strength and resilience of our community:

Restoring & Growing Our Core: In a historic five-year endeavor, our members continued to rebound post Covid to serve over 32,582 people.

Expanding Youth & Community Programs: We served 975 out-of-school time youth across 14 sites and expanded summer camp to three locations, engaging over 341 youth weekly. To combat food insecurity, our inaugural non-congregate summer food program distributed over 11,700 meals and 838 gallons of milk over seven weeks.

Fostering Adaptive Inclusion: We hired a full-time program manager dedicated to growing adaptive

programming, while collaborating with local organizations to ensure individuals of all abilities can experience new adventures, learn new skills, and make new friends.

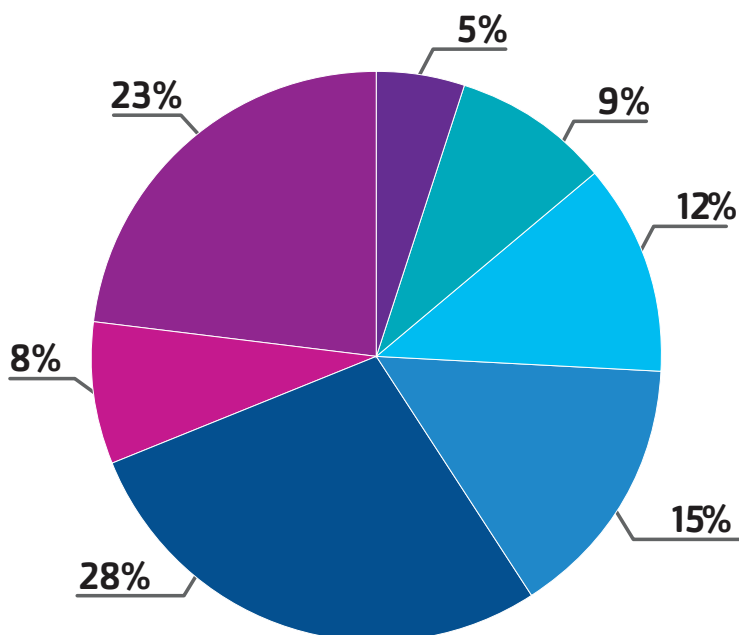

Leading in Safety & Trust: The YMCA of Greater Kalamazoo achieved accreditation by Presidium, the gold standard for abuse prevention and safe environments. As one of the first YMCAs in the nation to accomplish this rigorous training standard, we are proud to lead the way for others across the country.

Everything we accomplish is made possible through our dedicated members, staff, community partners, and our generous donors. Your support is a testament to a community that values youth development, healthy living, and social responsibility.

Thank you for walking alongside us as we continue to build a safer, healthier, and stronger community for all.

Ericia Moore
CEO/President

OUR Y HISTORY

As the second-oldest non-profit in Greater Kalamazoo, our YMCA's story is defined by community, generosity, vision, and deep roots. Where we stand today—expanding early learning, out-of-school programs, adaptive services, and earning Praesidium Accreditation® for youth safety—is built entirely upon generations of members, donors, and leaders who have invested in our mission across the decades.

From F.M. Hodge, to President William Howard Taft laying our cornerstone, to trailblazing leaders like Board Chairs Elaine Stefanac (1989) and Dr. Cheryl Dickson (2024), our backbone has always been our people.

As we reflect on 2025, we honor every member and supporter who has carried this work forward—setting the stage to celebrate 160 years of continuous service in 2026. Thank you for being part of our story **FOR ALL**.

OUR PROGRAMS: DEEPENING COMMUNITY IMPACT

Meeting community needs isn't just part of our history—it's our ongoing promise. Across every decade, the YMCA of Greater Kalamazoo has proactively stepped up to serve where it matters most, removing barriers and nurturing human potential at every stage of life. The updates that follow showcase how our evolving initiatives continue to foster belonging, build resilience, and deliver real, lasting impact for individuals and families across Greater Kalamazoo.

EARLY LEARNING 3 LOCATIONS SERVING 119 STUDENTS GREAT START TO QUALITY

Operating across three Early Learning Centers, the Y lays the groundwork for lifelong academic success. We provide working families with safe, high-quality early education that nurtures cognitive, social and emotional growth. Our expert educators ensure our youngest learners build essential foundations, gain confidence, and enter kindergarten ready to excel.

AQUATICS 2,020 UNIQUE CLASS PARTICIPANTS

Drowning remains a critical public health concern, making our Safety Around Water initiative more vital than ever. This year alone, 128 learned life-saving swimming and safety skills through these targeted classes. We remain committed to keeping our pools accessible, empowering every swimmer with the confidence and skills needed to thrive in and around the water.

SUMMER CAMP 3,920 SUMMER CAMP ENROLLMENT

YMCA Summer Camp is far more than summer memories – it's a vital resource for working families. We keep children active, healthy, and off electronics through hands-on outdoor adventures and engaging learning. Our camps prevent summer learning loss while fostering friendships, confidence, and foundational skills that last a lifetime.

OUT-OF-SCHOOL TIME 856 YOUTH SERVED ACROSS 14 SITES SERVING 21 SCHOOLS 206 STUDENTS RECEIVING FINANCIAL ASSISTANCE

In partnership with Kalamazoo and Portage Public Schools, the Y delivers essential before and after school programs that support working families. We extend the school day with trusted mentorship, academic support, engaging enrichment, and safe environments where students grow, learn, and belong.

\$107,397 FINANCIAL ASSISTANCE AWARDED IN SCHOOL YEAR

\$88,770 FINANCIAL ASSISTANCE AWARDED IN SUMMER CAMP PROGRAM

The Lincoln Youth Program exemplifies the depth of the Y's local impact. Operating in an underserved neighborhood, we provide a wrap-around ecosystem for children and their families. We deliver the stability, daily mentorship, and encouragement students need to remain engaged, stay inspired, and achieve their full potential.

TEEN/YOUTH CENTER

30 YOUTH SERVED IN NEW YOUNG MEN THRIVING PROGRAM

175 WEEKLY DROP-INS

After-school needs don't stop after elementary school. Our Maple Youth School Center provides a safe and engaging space for 6-9 graders. Through academic support, enrichment programming, and a focus on fitness, students build essential skills and connect with supportive mentors during the school year.

ADAPTIVE PROGRAMS

112 YOUTH AND ADULTS SERVED

Building on our established foundation — including Aceing Autism and our adaptive swimming programs — we hired a dedicated coordinator to further expand opportunities for individuals with disabilities. This new role drove the growth of tailored fitness routines, specialized sports clinics, and inclusive activities designed to support physical health and overall well-being.

RURAL NON-CONGREGATE MEALS

**51,701 MEALS SERVED
THROUGHOUT THE YEAR**

**17,058 IN THE SUMMER ALONE
INCLUDING 836 GALLONS OF MILK**

Food insecurity directly impacts a child's ability to learn, grow, and thrive. To meet this fundamental need, the expanded its food initiative, delivering free, nutritious daily meals and snacks across our program sites. By nourishing young minds and bodies, we eliminate hunger as a barrier to success.

TENNIS

Using seed money from a USTA grant, the Y was able to increase its outreach to make tennis accessible across socio / economic barriers by providing financial assistance for instruction, and court time.

SOCIAL OPPORTUNITIES

To give local youth dedicated spaces for fun and socialization, we launched new Teen Nights and themed Middle School Night Out events, offering safe, interactive environments to build lasting friendships. We also introduced new social programming for families and community members, bringing people together through popular additions like Speed Puzzle Night, Euchre Night, and Craft Night.

"To me, the Y means family, community, self-care, and support. The YMCA is an integral part of our family's life. The financial assistance offered by the Y has made it possible for our kids to participate in numerous programs and also explore their interests. The kids have enjoyed mini sports camp during school breaks, played basketball, participated in taekwondo, taken a soccer class, as well as participated in swim lessons. Y programming has enabled our older kids to socialize with peers in a safe environment while also feeling a sense of independence because mom and dad aren't right there. Staff know each of our children, and I am confident that they, too, are keeping an eye out. In addition to programming, our kids enjoy the Kids Zone while I take time to exercise and for self-care. This is all made possible by financial assistance."

BUILT ON ACCESS: A CROSS-GENERATIONAL ANCHOR FOR OUR COMMUNITY

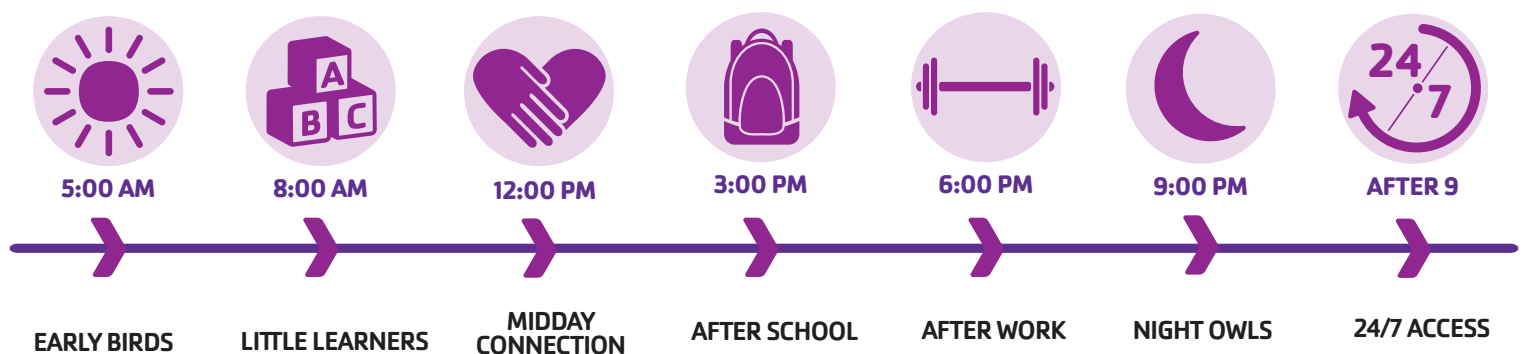

Access lies at the heart of the Y's mission—serving as a true community center open to individuals and families at every stage of life. The Y is one of the few places in our society where life is truly cross-generational, bringing newborns, seniors, working adults, and youth together in a shared space designed for growth, wellness, and mutual support.

Our doors open at 5:00 AM as early risers fill the lap pool and cardio floors before the workday begins. As morning sets in, parents drop off toddlers at preschool—trusting us as their child's first formal learning environment—while Kids' Zone childcare gives caregivers time to focus on their own well-being. By mid-morning, Active Older Adults gather for group exercise classes, lingering over free coffee to stay physically active and socially connected.

Throughout the day, neighborhood groups and local organizations utilize our community rooms for meetings and collaborative gatherings, while members recharge in the warm resistance pool and hot tub.

At 3:00 PM, energy shifts as up to 100 students arrive at Maple for structured after-school care. By early evening, the after-work crowd moves in to sweat off the day in group fitness classes or unwind in the sauna and steam rooms.

Through 24/7 facility access options, multi-generational programming, and inclusive gathering spaces, the Y ensures that health, youth development, and human connection remain accessible to everyone, around the clock.

"My husband and I moved to Michigan with our two babies under the age of 2. We lost our entire support system. Surviving with my sanity intact was tough.

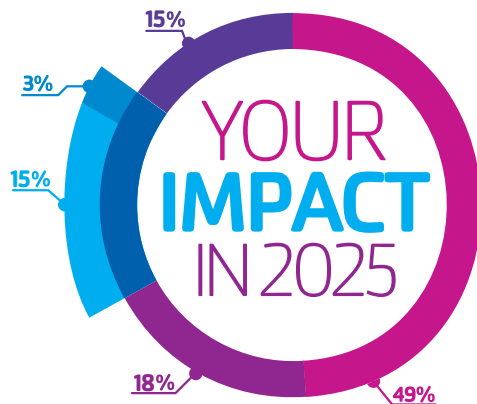

After joining the Y, I was able to have some breathing room. My girls thrived in Kids Zone. They now ask to go 'play' nearly every day. The Y has given me those two hours to myself, for my health both physical and mental. I can't understate what a blessing this has been."

As we honor our proud history 160th anniversary, your generosity ensures we can continue responding to evolving local needs with bold, compassionate impact.
