

How to register for Prime Time

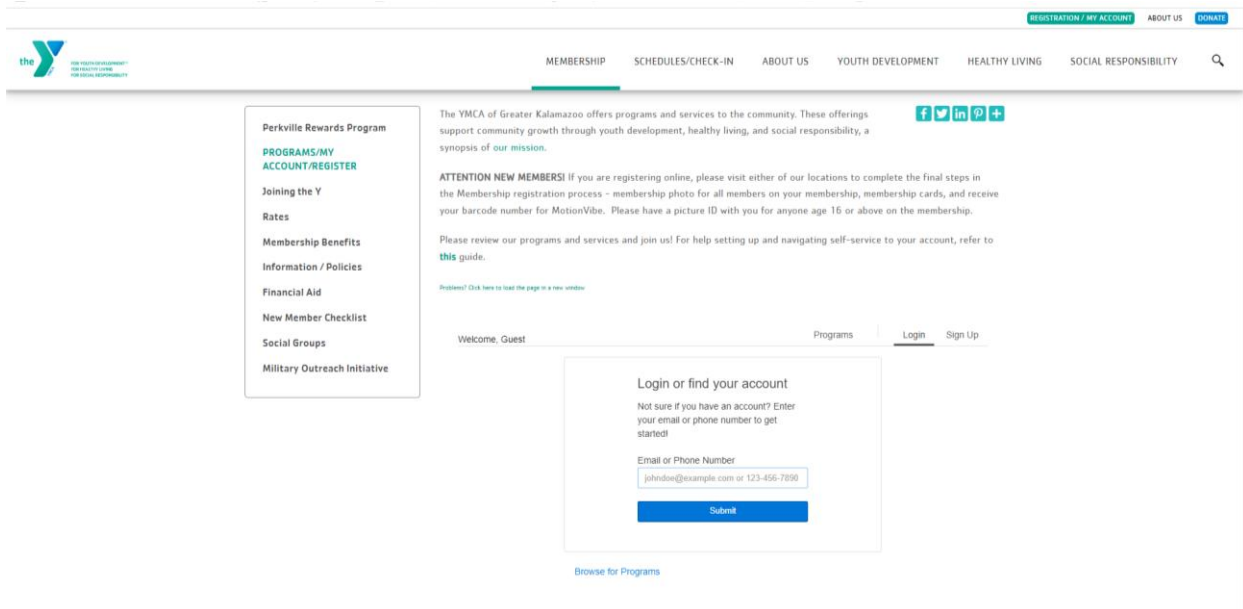

Go to www.kzooymca.org. Click on the Registration/My Account button.

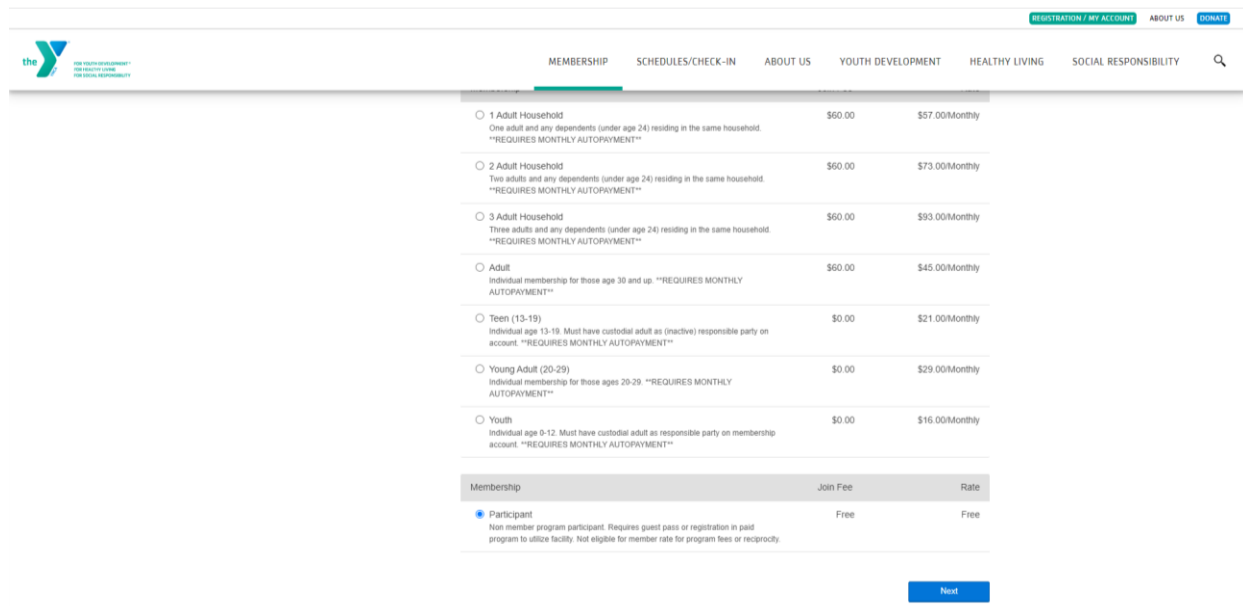

This will take you the Programs page. Scroll down and you will see a “Login” and “Sign Up” option

If you have ever signed up for a Y program online before (swim lesson, basketball class, summer camp etc.) you should already have an online account. Click the “Login” option to look up your account. Please try any email or phone number you may have on file to prevent creating a duplicate account.

If you are new to the Y, you’ll need to do the “Sign Up” option. You are able to sign up for a membership at this point, if you choose to. Otherwise scroll to the bottom and select the “Participant” option and click next to set up your account.

Once you have access to your account, go back to the Programs screen and select either Prime Time – Kalamazoo or Prime Time – Portage. If those options don't appear at first, check what locations you have selected (blue circle)
